TEACHING LEARNING AND EVALUATION

Evaluation Process and Reforms

Continuous Internal Evaluation(CIE) system at the institutional level

- Current examination system includes internal evaluation having 40% weightage and external evaluation (Semester End Examination – SEE) consisting of 60% weightage.
- At RGCMS, Continuous Internal Evaluation (CIE) consists of 40 marks. These 40 marks are distributed into four criteria prescribed by University of Mumbai.

1. Class Test consisting of 10 marks, conducted after 30% completion of syllabus
2. 10 marks are reserved for Attendance and Classroom Participation
3. For remaining 20 marks faculty conducts any two of the activities among the Group Presentations, Role Plays, Case Studies, Assignments, Projects and Quizzes having weightage of 10 marks each.

TEACHING LEARNING AND EVALUATION

Usual exam related grievances & redressal

- Along with College Level examination conduction, the Examination committee also helps in the administration of University of Mumbai examinations including examination form filling, hall ticket distribution, displaying seating arrangement etc.
- In the matter of grievance related to the hall ticket, mark sheet like printing of wrong name, the Examination Committee immediately investigates the matter and takes necessary actions.
- The examination related issues of the students are dealt with high priority and solved as soon as possible. If required, the committee contacts the concerned authorities of the University and tries to resolve issues on priority.

TEACHING LEARNING AND EVALUATION

Exam related grievances & redressal

- In the case of re-verification or re-counting of University of Mumbai result, the University of Mumbai needs to be contacted, a standard fee is collected by the University of Mumbai.
- Upon receiving the fee, the college in-charge follows the issue with University of Mumbai till it is resolved.
- The University of Mumbai then re-evaluates the student's performance in the respective exam and communicates their decision.
- All grievances are, therefore, solved with utmost care to the student's satisfaction.

BEST PRACTICES

INSTITUTIONAL VALUES AND BEST PRACTICES

Best Practice - I

Title of the Practice: Spreading Awareness About Various Scholarships Schemes of State and Central Government.

Objective: To increase the number of students graduating in the management field by spreading awareness about various scholarship schemes of state and national government.

The Practice: The various activities to make students aware about scholarship schemes of state and central government has been conducted as well as students were guided about Do's and Don'ts of scholarship form filling. We have observed that, because of sessions conducted, the Institute is witnessing an increase in reserve category students' admissions as well as economically backward students every year. Analysis of the same is given below.

INSTITUTIONAL VALUES AND BEST PRACTICES

Evidence of success: It is observed that students benefiting from scholarship provided by state and central government has notable count as tabulated below: -

Sr. No.	Particulars	2017-18	2018-19	2019-20	2020-21	2021-22
1	Number of students benefitted	39	57	94	95	97

Problems encountered and resources required: To bring seriousness among the students of the deadlines, documents required is a difficult task.

INSTITUTIONAL VALUES AND BEST PRACTICES

Best Practice – II

Title of the Practice: Feedback & Continuous Improvement

Objective: RGCMS being a student centric Institute focuses on giving best to the students. Students as our brand ambassadors bring laurels to the Institute by performing their best socially, ethically & financially in corporates and as Entrepreneurs.

The Practice: The feedback policy aims at identifying the gaps with regards to curriculum, teaching, events, infrastructure, computer lab, Library, website, value added courses, projects guided, examination etc. Students are encouraged to give structured & unstructured feedback.

INSTITUTIONAL VALUES AND BEST PRACTICES

Evidence of success:

- Increase in average placement percentage in recruitment drives of various companies is seen.

Year	Feedback Conducted By	Feedback	Action Taken
2021-22	Office and Administration	Alumni expressed that getting transcripts and documents from college is a tedious process	SOP was made for documents. A form was made in website for requesting documents. Alumni were informed regarding it.
2020-21	Website Committee	Website is not continuously updated	Taken measures to update website as and when event is finished.
2019-20	APRC Committee	Subject notes not updated	It was made compulsory for all faculty to give notes through g-classroom
2018-29	Cultural Committee	Change certificate colors	Colorful certificates were made

Problems encountered and resources required : One of the major problems faced was to promote feedback & continuous improvement culture. Motivating students to give right feedback was a task. Students were ensured that feedback is anonymous and action will be taken as and when required.

SWOC ANALYSIS

SWOC ANALYSIS

Institutional Strength

1. Academic Excellence – Outcome Based Teaching pedagogy
2. State-of-the-art Infrastructure as per AICTE requirements.
3. Strategic Location – proximity to Thane-Belapur Industrial belt and Reliance Corporate Park
4. Well documented SOP, Policy and Strategic Plan documents for efficient functioning of organization.
5. Working Environment with Strong leadership and excellent support by faculty members and staff
6. Highly qualified, talented and dedicated Faculty meeting the requirement ratio i.e. 1:20 as per AICTE guidelines.
7. Qualified technical and support staff.
8. There is transparency in all academic and administrative processes.
9. Sponsorship & Awards Scheme that promotes faculty development through research publication, seminars, workshops, conferences, FDP, PhD and motivation through rewards, etc.

SWOC ANALYSIS

Institutional Weakness

1. Shortage of senior faculty members with doctorate qualification and/or industry/research background
2. Absence of autonomy for curriculum improvement to suit the industry
3. Limitation of funds for organising advanced academic and professional programme
4. Being a self-finance private Institute, brand building at par with the premier Institutes is difficult task
5. Inadequate funds from Government agencies for Research.
6. Limitation on non-recurring expenditure for replacement of obsolete equipment/machinery/computers

SWOC ANALYSIS

Institutional Opportunity

1. Strengthen Internship program for students and faculty.
2. Enhance Industry-Institute interaction for networking.
3. Use the alumni base for improving Institutional processes.
4. Improve Research and Development activities
5. Strengthen Online courses & certifications.
6. Establishment of PhD Centre.
7. Strengthen entrepreneurial ecosystem.
8. Facilities for learning beyond curriculum to broaden student and faculty knowledge, skills and employability.

SWOC ANALYSIS

Institutional Challenge

1. Private Institution- No central or state grant hence dependent on student fees for meeting the ever-increasing cost of running the institute and programmes without increasing the fees.
2. Requirement from regulatory bodies to fulfil infrastructure and institutional facilities particularly for accreditation.
3. Fast changing requirements of the IT Industry due to advancement of technology.
4. Fluctuations in the job market and placement.
5. Limitation on international collaboration due to various constraints.
6. Admissions are regulated by statutory authorities, making it difficult to achieve 100 percent admission.
7. Limited facility for R&D and Consultancy.
